## **Letter from Fr Chris The month of August**

As I am writing this, we have just had the hottest day ever recorded. I don't know about yourselves, but I found it difficult, and it was a reminder of our commitment to ensure we do not destroy the Earth, through our miss management of resources. The Church of England's fifth mark of mission "To strive to safeguard the integrity of creation and sustain and renew the life of the earth". We must ensure that, as Christian's, we try to be as environmental as we can. We are finalising plans for Messy Church "Goes Wild", with St Peters Askern and hopefully we can start a Mission Area in September to teach children more about our environment.

In August Jesus asks us to be watchful, a reminder that Jesus could be here today and the need to remember the other four marks of mission.

The first mark of mission is "To proclaim the Good News of the Kingdom, we need to remember, attending church is only a small part of what Jesus wants us to do. Jesus sent his disciples and the 72 out to talk to people, to celebrate the good news of Jesus. When we are talking to others, mention you go to church, or used to attend church and that you pray.

The second mark of mission is to teach, baptise and nurture new believers. This happens through sermons; we have baptised more than 15 children and adults already this year. We have several new attendees both at church and at Messy Church.

The third mark of mission is "To respond to human need by loving service". We continue to work with St Peter's Askern and the food bank 'Cry'. We take foodstuff into Campsall on Thursdays between 5.30pm and 6.30pm and before our 11am service on Sundays at Campsall.

The four mark of mission is "To transform unjust structures of society, to challenge violence of every kind and pursue peace and reconciliation". Jesus's main message that comes across is Love, if we Love our neighbour, our community, and the Earth, then we are heading in the right direction. However, sometimes we may need to speak out about injustice and violence; we had a Saturday coffee morning earlier in the year and fundraised for the Ukraine and we continue to pray for them.

Fr Chris

## **A prayer for the Ukraine:**

*God of peace and justice,  
we pray for the people of Ukraine today.  
We pray for peace and the laying down of weapons.  
We pray for all those who fear for tomorrow  
that your Spirit of comfort would draw near to them.  
We pray for those with power over war or peace,  
for wisdom, discernment and compassion  
to guide their decisions.  
Above all, we pray for all your precious children,  
at risk and in fear,  
that you would hold and protect them.  
We pray in the name of Jesus, the Prince of Peace.*

**Amen.**

We had a Summer Break in July due to the amount of other events and holidays. We start back on Saturday 6<sup>th</sup> August at 11am talking about the 'Transfiguration', this will include arts and crafts, a cartoon story and of course lots of food.

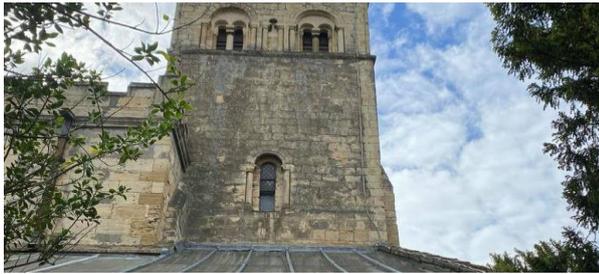

We continue to run a home group in Norton for those wishing to look deeper into scripture and Christian life, meeting in my home in Norton. If anyone is interested in starting such a group in Campsall, Sutton or

Burghwallis please contact to discuss further and support/train you. Please note home group leaders would require a recruitment process including a possible DBS check.

Our Bible Study group is for us to meet up and chat about bible stories in a relaxed atmosphere, aimed at those moving into their Golden Age, who may have a little more bible knowledge, or who wish to look

deeper into scripture than they previously have done.

### **Campsall Bell Ringers**

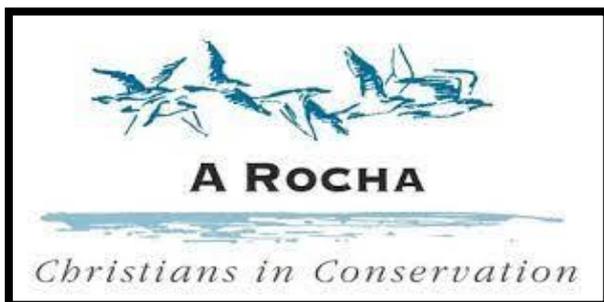

We are happy to announce the start of Campsall bell ringing practice weekly sessions on Monday evenings at St Mary Magdalene Church. If you are interested in

having a go at bell ringing please contact Helen on 07849571162 or Fr Chris 01302702615

The work on the roof at St Helen's Church Burghwallis continues. Hopefully, this will mean the church will soon be open for services, meetings, and visitors. We will let you know when we know the opening date and invite people to come a look

at the work and for use to meet with you.

Both Burghwallis and Campsall churches are now registered with A Rocha and we are making good progress towards their bronze awards, with the help of two experience volunteers and the support of the probation service.

This will include the starting of a 'Messy Church Goes Wild' for children with their parents who wish to learn more about nature and wildlife, with the aim to develop our churchyards and beyond.

Our hope in September is to link up St Peter's Askern St Helen's Burghwallis and St Mary Magdalene Campsall and Sutton, to create a Mission area Messy Church 'Goes Wild' group. The first Mission area activity will be at St Peter's Askern. This is open to any children (accompanied by an adult) from the areas above. This will develop across all the villages. If you have a child or grandchild who you would like to join, please contact me so I can send you a form.

Fr Chris has been working with CMA Bentley, who are linked to St Peter's Church Bentley, with regards to supporting our communities as a volunteer debt adviser. Fr Chris has completed Level's 1 and 2 and has passed his exam, to become a Debt Adviser.

He now is available to talk and offer support to those in Burghwallis, Campsall, Norton and Sutton. Those who wish support, please contact CMA centre in Bentley. Fr Chris will aim to be available one Friday a month, working from CMA Bentley.

### **Hospitality**

We will be developing hospitality further in 2022, with a few small changes in St May Magdalene church, to welcome people with a drink before and after services, maybe even a bit of toast etc. As it would be lovely to get to know more of you and learn what the church can do for you.

We also still have eyes for both churches to be more community focused and central to our communities. May I ask you for ideas of how we can do this. We can and will offer God's churches for community projects and support groups.

We especially wish to look at opening:

**A Natter Church**, a place for people of retirement age to have a chat together in church. We are looking at purchasing some coffee machines to aid with refreshments. If anyone wishes to support a community drop in, on a day which doesn't clash with any other similar community groups please let me know, we aim to add to services already available, or offer a space to those who need it.

**Dementia Café**, We are praying for the opportunity to support, both those living with Dementia and their supporters. **Anyone** who has knowledge of such groups who would give advice, lead, co-lead, support please contact me personally, or leave a message on my answer phone.

God Bless. Fr Chris

## **ST HELENS CHURCH, BURGHWALLIS**

We soon will be celebrating the reopening of St Helens Church after the roof repairs.

Unfortunately, the two Joyces are unable to continue arranging the flowers and hope someone feels that they are able to put flowers in our church.

Flowers bring to much pleasure to everyone on special occasions, anniversaries, festivals and in memory of loved ones.

If you feel you are interested in doing this please speak to the churchwardens Shirley or Colin, or either of the two Joyces who will be only too happy to help in any way.

## **Burghwallis Parish Council Meeting**

# Bible Bite

A short story from the Bible

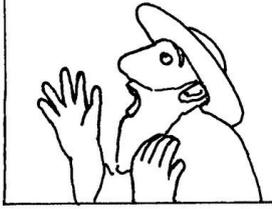

It can be read in the Bible in Genesis chapter 6:9 to 9:17.

Everywhere God looked, people were hurting others, fighting, lying, cheating and stealing. Only Noah was good.

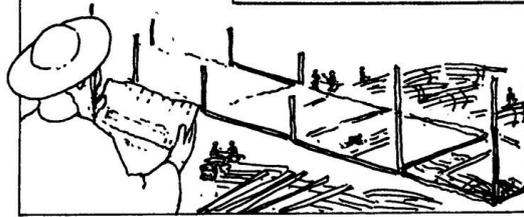

I'm going to send a flood to get rid of the bad people

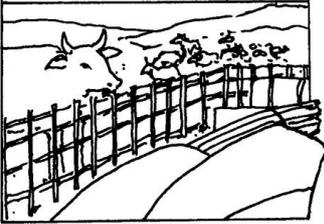

You must build a big life raft

So Noah built the life raft to God's plan - a huge box with a roof and a door

He got the animals ready to go on board with all their food.

All the animals, all the food and all Noah's family were packed on board...

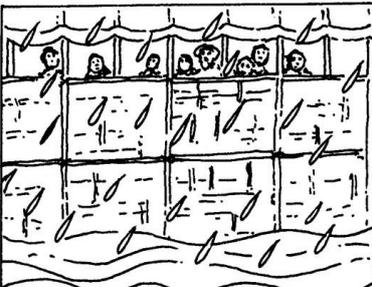

.. and God closed the door.

The rain began to fall

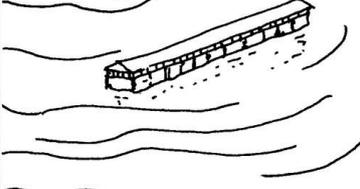

for 40 days and nights

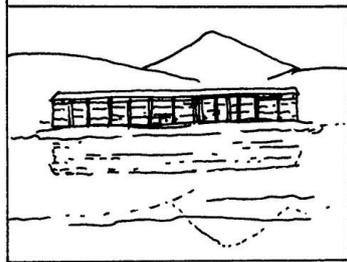

but the life raft floated.

The flood continued for 150 days

then began to go down

The life raft grounded near Mount Ararat

Noah sent a raven to look for dry land, but it came back

so he sent a dove to look.

The second time it came back with a leaf.

Trees are growing again - we can get out!

I am your God and you are My people.
